

**Friday, February 20, 2026**

**2:00 – 3:00 pm**

“Practicing the “Care” in Healthcare: Addressing Nutrition-related Health Disparities and Inequities in the LGBTQ+ Community”

Presenter: CJ Noel Jones, MEd, RD, LD, CDCES, FAND, CC

This presentation will also provide strategies to help decrease health disparities and inequities observed in the LGBTQ+ population.

**Wednesday, February 25, 2026**

**12:00 – 1:00 pm**

“A Comprehensive Approach to Treatment of Obesity as a Disease”

Presenter: Stephanie Page, DO

Updated management protocols involve combining lifestyle interventions with highly effective, precision pharmacotherapies and for some bariatric surgery, which significantly improve weight loss outcomes and mitigate associated cardiometabolic risks.

**Friday, February 27, 2026**

**12:00 – 1:00 pm**

“The Referral & Relationship Strategy: Building a Pipeline Without Social Media”

Presenter: Mari Milenkovic, MBA

This session will show you how to build a steady stream of clients by leveraging relationships—with past clients, fellow health professionals, and your existing network – so you can grow without constantly creating content.
